Event Decorating
& Rentals

By Design staff places and removes all decor so you, your family and your friends don't have to interrupt wedding day plans to decorate and clean up. All decorating will be done according to your venue's timeline and guidelines.

Decorating package includes all necessary elements for your design including votive candles, floating candles and artificial floral. By Design custom designs each event with our client, therefore pricing will vary depending on your needs and desires. We have provided a detail of a typical decorating package below along with price estimates.
